

Emami to invest Rs 2k cr in capacity building

Emami Paper Mills, a part of the Kolkata-based Emami Group, has earmarked over Rs 2,000 crore for capacity expansion and a foray into the pulp and writing paper segment, a top company official said. While the capacity expansion from 450 tpd (tonnes per day) to 750 tpd will be done this fiscal at an investment of Rs 550 crore, the foray into the pulp and writing paper segment will involve an investment of around Rs 1,500 crore over three years, the official said.
