Pamper your skin with moisturising
milk cream and nourishing *badam*

Chilly winds take moisture away from your skin, leaving it dry and rough. Boroplus Advanced Moisturising Lotion's active herbal formula contains nourishing *badam* and moisturising milk cream. These ingredients penetrate deep into your skin and maintain the balance of moisture in your skin, keeping it supple and healthy. Boroplus Healthy Skin keeps your skin soft, supple, and fresh—even during winter.

'An Ayurvedic Medicine'

With Winter round the corner, four personalities were given samples of Boroplus Advanced Moisturising Lotion and this is what they had to say...

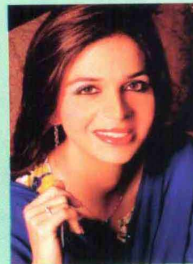

Sonalika Sahay, model

Boroplus Healthy Skin Advanced Moisturising Lotion really works well for me because it has *badam* (almond) and my skin is very dry. With winter round the corner, my skin has already started looking dehydrated, and this lotion is wonderful. In fact, I used to mix almond oil with my regular moisturiser, but with Boroplus Advanced Moisturising Lotion, I don't need to do that any more. It's wonderful!

Nainika Karan, fashion designer

Boroplus Healthy Skin Advanced Moisturising Lotion is good for my skin; it keeps my skin moist and soft. I really like that there are no harsh chemicals in the lotion and everything is so natural. Boroplus Advanced Moisturising Lotion is natural, it has the right stuff and is good for my skin—what more could I ask for!

Saba Ali Khan Pataudi, jewellery designer

I have a highly sensitive skin and Boroplus Healthy Skin Advanced Moisturising Lotion really suits my skin. In fact, I would say it's like a medicinal cream for my skin. The lotion is good and what I especially liked about it was the consistency, which is neither too thick nor too thin unlike other lotions and is non-greasy.

Riya Sen, actor

I have been using Boroplus Healthy Skin Advanced Moisturising Lotion and I like its fragrance. In fact I use it every night because I have very dry skin and it really helps me a lot. I use it daily, and I'm happy with Boroplus Healthy Skin Advanced Moisturising Lotion as it has definitely helped my skin look soft and smooth.
