Emami Net Rises 45% to ₹209 cr in Dec Quarter

New Delhi: Homegrown FMCG firm Emami on Wednesday reported 45% rise in consolidated net profit at ₹208.96 crore for December quarter 2020 helped by sales growth and cost control measures. Revenue from operations was up 14.9% at ₹933.6 crore in the quarter under review as against ₹812.6 crore in the same period a year ago.

“During the quarter, both profits and margins of Emami increased significantly. Stringent cost control measures and benign raw material prices, helped the company improve its margins,” said Emami in an earning statement. —PTI
