## Emami ▶

A significant player in the cosmetics industry, Fair and Handsome offers a range of products — from fairness creams to face washes. Taking a step forward, the brand has now launched Fair And Handsome Laser 12 — an Advanced Whitening + Multi-Benefit Cream. Created in collaboration with technology leaders, the premium and pioneering formulation is especially designed for men who have tough skin. It has a unique Laser Action technology that helps transform the face by delivering 12 powerful benefits, making you look your handsome best.
